

# SHAFTESBURY TOWN TWINNING ASSOCIATION

## NEWSLETTER JULY 2022

**Chairman's Message.** Our Twinning weekend with our friends from Lindlar was a tremendous success and enjoyed by all. It simply couldn't have happened without all the hard work and time that members of the committee and sundry other helpers put into the planning and preparation for it. Now we are looking forward to our visit to Brionne in September, with the added pleasure of some reciprocal music and songs being performed by musicians and singers from both our towns. More on that later... In the meantime, we hope to see as many of you as possible at one (or more!) of our activities planned for this summer.

**Lindlar Visit to Shaftesbury 2022.** – 40<sup>th</sup> Anniversary Weekend. Our Guests arrived Thursday evening after 14 hour journey from Lindlar. The first evening was spent with Hosts before a variety of trips and visits on Friday including Somerset Cider Brandy; Montacute House; Bath; Salisbury; Wardour Castle and of course Shaftesbury. On Friday evening, a little too warm for skittles, we held a social evening at The Shaston Social Club with Fish and Chips for 47.

Saturday, was the group trip to The Mary Rose exhibition followed by lunch and time to explore the rest of The Historic Dockyards and view some of the other exhibitions such as The Victory and associated gallery, HMS M33, HMS Warrior and the many boatsheds. The evening was again spent with hosts, at home or out on the town.

After a later start Sunday, we enjoyed a town walk from The Town Hall via Park Walk to The Westminster memorial garden where we were met by Julian Prichard who gave a Talk on the history of the hospital, current use, The gardens, The work of The Friends and the new property acquisitions providing accommodation for the mental health team. The walk then descended through St James Street Park and along to the Millennium Garden, then on to The Shaftesbury Home Grown Community Farm. Helen & Antonia hosted the group and told them of the Farm's history and plans for growth. The fruit trees donated by Lindlar in 2018 continue to thrive here. After tea and cake, we dispersed back into the town for the afternoon.

At 6.30 we met at the Town Hall for celebration of the 40<sup>th</sup> Anniversary of Twinning with Lindlar. This is Alfred interviewed a number of guests before our MC called us to order for a photo shoot followed by the evening meal. We were joined by Colin Howes & Roger Booth, Mayor and Deputy at the signing of the twinning agreement, who shared with us reminiscences of the 1980's twinning. We were also joined by Derek Beer, past Mayor, Town councillor & Current Dorset Councillor; David Lloyd, Chair of Gillingham Twinning; Joe Rose, Chair of Sturminster Newton Twinning.

Our MC, Explorer scout leader, Lionel Boyle, did an excellent job keeping us all in order with the able assistance of Sarah and four explorer scouts who served and cleared tables. A collection was made towards the funds required for two of the scouts to visit The Jamboree in South Korea next year.

The Rose Bowl is traditionally awarded every year by The Chairman to a member of Town Twinning who has given "beyond the call of duty" that year or over a period of years to the Twinning cause. Previous Chairman Simon Pritchard nominated this recipient in February 2020, but with the pandemic cancelling all activities for two years presentation could not take place. Immediate Past Chairman Clare Huxley corroborated that choice and therefore not only is the Rose Bowl crossing the channel for the first time, the recipient is also the only person to hold the trophy two years in succession. Congratulations go to Beate Hoeller on being awarded the Rose Bowl and we will be over to Lindlar in 2023 to collect it.

The attendance for the dinner was 54 and congratulations must be given to the committee members for preparing the hall and meal. Particular thanks go to Christine Mitchell who worked tirelessly Saturday and Sunday to ensure that we were all well fed.

The evening will go down in history as one to remember as the room was filled with chatter and laughter from start to finish. The tables and decoration were good, as was the wine donated by Lindlar, the food was spot on with desserts from the community farm and an anniversary cake. Best of all was the company with friends of Twinning.

It only remains to thank all those who supported us over the weekend and especially Sunday night:- Shaftesbury Town Council and their team for decorating the Town Hall with flags, Shaston Social for Friday evening, The Golden Fish for Friday supper, Julian Prichard for the hospital talk, Shaftesbury Home Grown for the tea, cake and fruit, Johnsons for the table linen, Mounters Gin for the gifts, Elizabeth Hazelwood for the sketch books and framed watercolours to commemorate the 40<sup>th</sup> Anniversary, Gail Potter for the anniversary cake, Klaus Wopfner for the photographs, and of course All our guests for being there and giving us a good excuse to celebrate. We have been overwhelmed by the compliments from you all over the weekend arrangements and activities.
